

AMSTONE[®] SAKRETE[®] CEMENT MIX PRODUCTS

Concrete Mix

A mixture of Portland cement, washed and graded sand, and gravel. For repair and building jobs where concrete thickness exceeds 2". Ideal for pouring footings; anchoring poles and posts; and building walks, drives, curbs and steps. Exceeds ASTM Specification C 387.

80 lb. bag **0-50605-00026-4**

Sand Mix

A blend of Portland cement and washed sand. Designed for repair and building jobs of less than 2" in thickness. Can be used for patching steps, sidewalks and floors. Can be used as a topping over existing concrete, as a grout for drain tile, as a stucco and as a bedding mix for laying flagstone or slate. Exceeds ASTM Specification C 387.

80 lb. bag **0-50605-00033-2**

Mortar Mix

A mixture of masonry mortar cement and graded bank sand. Especially designed for laying brick, block or stone. Can be used to repair masonry or used as a stucco. Exceeds ASTM Specification C 387.

80 lb. bag **0-50605-00039-4**

BRAMEC[®] AIR-CONDITIONING AND REFRIGERATION PRODUCTS

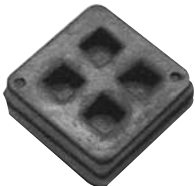

Bramec Anti-Vibration Pads

- Has a solid cross-ribbed design (3/8" thick)
- Also ribbed design with a cork center (7/8" thick)
- Made from high quality elastomeric materials
- Compounded for excellent resistance to aging, compression set & oil
- Recommended maximum loading capacity: 50 lbs per square in.

Part Number	Description	
6132	2" x 2" x 7/8" Cork / Rubber A-V Pad	(100)
16774	2" x 3" x 7/8" Cork / Rubber A-V Pad	(65)
6133	3" x 3" x 7/8" Cork / Rubber A-V Pad	(36)
6134	4" x 4" x 7/8" Cork / Rubber A-V Pad	(24)
6136	6" x 6" x 7/8" Cork / Rubber A-V Pad	(12)
13070	12" x 12" x 7/8" Cork / Rubber A-V Pad	(12)
6138	18" x 18" x 7/8" Cork / Rubber A-V Pad	(6)
6432	2" x 2" x 3/8" All Rubber A-V Pad	(48)
6433	3" x 3" x 3/8" All Rubber A-V Pad	(24)
6434	4" x 4" x 3/8" All Rubber A-V Pad	(24)
6436	6" x 6" x 3/8" All Rubber A-V Pad	(24)
6438	18" x 18" x 3/8" All Rubber A-V Pad	(6)

Iso-Pad Equipment Bases

- All rubber construction
- Reduces vibration & noise from air-conditioning & refrigeration equipment
- Compounded for excellent resistance to aging, compression set & oil

Part Number	Description	
19707	2" x 2" Iso-Pad Equipment Base	(24)
19708	4" x 4" Iso-Pad Equipment Base	(12)
19709	18" x 18" Iso-Pad Equipment Base	(6)
