

Bradley  **WASHROOM ACCESSORIES**

Classic Washfountains

Applications include: From heavy-duty manufacturing and food and medical plants to schools and stadiums.

Class Washfountains

Designed for heavy-duty hand washing.

- 9" deep bowl
- Full spray ring for hand and arm washing
- Available in a variety of materials

Stainless Steel

Heavy-duty construction provides years of maintenance-free service.

Bardstone®

The thermo-set polyester bowl is economical and offers strength and corrosion-resistance.

Terrazzo

The natural look and durability has made this washfountain the choice for decades.

Terreon®

Rugged, repairable, solid surface bowl combines good looks with exceptional durability.

Configurations

Sizes: 36" and 54" Diameter Shapes: Corner, Semi and Full Circle Spray Heads: 3, 4, 5, and 8 stations

A smart choice over sinks.

- 1 set of water supplies conserves water and cuts installation time
- 1 valve set saves maintenance time
- Requires less floor space than sinks
- 1 continuous bowl surface cuts cleaning time
- Tougher than china bowls to deter vandalism

Color Choices:

- Terrazzo:** White Marmorite, Granito, Whisper Gray*, Dusty Rose*
- Bradstone:** White Marble, Driftwood Beige
- Terreon:** Canyon Tan Soapstone Gray

*Premium color additional charge
