

**NON-ADHESIVE TAPE PRODUCTS**

**Barricade Tape**

**Part Number 17779**

Designed to protect and identify above ground hazardous areas or elements such as construction sites, work areas, crime scenes, crowd control and any potentially dangerous areas, Mutual's barricade tape is available with more than 50 different in-stock legends. All legends are printed in crisp, bold black lettering on a yellow or red polyethylene material. These tapes can either be customized with an imprint of your company's name, logo and telephone number, or they can be purchased from Mutual's stock legend inventory.

They are available in 3" x 1000', 300', or 200' rolls. A larger 6" x 1000' roll is also available upon request.

**Underground Detectable Tape**

**Part Number 17774**

The tapes provide the ultimate protection in preventing costly "Dig-Ins". This tape is available in 2" x 1000', 3" x 1000' and 6" x 1000' rolls.

Mutual's 5-mil double-laminated, permanently bold, black-lettered underground detectable tape comes in 8 APWA Color-coded legends:

- Red-Electric
- Blue-Water
- Yellow-Gas
- Green-Sewer
- Green-Storm Drain
- Orange-Telephone/Fiber Optic
- Brown-Force Main
- Purple-Reclaimed Water Line

**Non-Detectable Underground Marking Tape**

**Part Number 17783**

Specifically designed for underground use, Mutual's specially formulated extra heavy 4.5 mil polyethylene tape resists chemicals in soil for longer life.

Available in 3" and 6" x 1000' rolls.

Available in the following legends:

- Buried Water Line Below
- Buried Electric Line Below
- Buried Gas Line Below
- Buried Sewer Line Below
- Buried Fiber Optic Telephone Line
