DRAIN CLEANERS

Calci-Solve removes scale from lines, and clears clogged drains easily and effectively. The product's unique acid-formulation includes a special inhibitor, RD-188, that coats the inside of the pipes with a protective film, allowing the acid in Calci-Solve to quickly dissolve the deposits without harming pipes. Calci-Solve is the ideal cleaner for cleaning boilers, heaters, water pumps, evaporators, heat exchangers and other air conditioning equipment.

1 quart 4134-24
1 gallon 4134-08

Drain-Solve is an alkaline-based drain opener that will remove grease, hair, vegetable and other organic matter. It is nonfuming, and it will clean and clear drains quickly. It makes maintenance easy and eliminates the time delay associated with the use of highly reactive, fuming drain openers. Simply pour it down the drain and let it work without fear of noxious fumes or reactions.

ACID CLEANERS

Nickel-Safe Ice Machine Cleaner is a specially formulated food-grade product for removing scale deposits from potable-water equipment. It is ideal for ice makers, water heaters, indirect water heaters, etc. It mixes to form a greenish-blue solution which makes rinsing easier and it is safe for use on nickel-plated surfaces.

1 quart 4287-34
1 gallon 4287-08

Liquid Ice Machine Cleaner is a food-grade liquid phosphoric acid that is fast acting yet safe to use. It has been formulated for removing scale deposits from ice machines and coffee urns, and does not give off any harsh fumes or contain chlorine or chlorides that would attack stainless steel.

1 gallon 4207-08

ALKALINE CLEANERS

Green Clean™ is a pleasantly scented, all-purpose cleaner. It instantly penetrates greasy and oily surfaces, providing powerful emulsifying ingredients that chemically soften and dissolve the deposits. A safer, effective, alternative to toxic cleaners, bleaches and solvents! It's non-corrosive and very economical.
