

# DISCOVER THE BENEFITS

## of Lakeside Supply Inventory Management Program

### DEDICATED SALES REP FOR ALL YOUR NEEDS

Receive dedicated service for a complete customized and cost-effective inventory program aimed at maximizing profits with zero downtime.

### REAL-TIME INVENTORY/USAGE REPORTS

Receive real time inventory and usage reports to streamline the purchasing process, improve inventory, avoid stock outs, and lessen floating assets due to overstock.

### LOCK IN PRICING

Lock in pricing for all your products and save regardless of product quantity changes and delivery dates.

### EASY REORDERING

Easily reorder with your representative and increase your inventory maximums/minimums at any time.

### EXPRESS DELIVERY

Never run out of stock with local and fast delivery. We can deliver based on your needs.

### WHITE-GLOVE SERVICE

Upon delivery, we will shelf, rotate, and count inventory for live status.

## ZERO DOWNTIME

**AVOID UNSCHEDULED DOWNTIME**  
With A Customized Inventory  
Program Based On Your Usage  
& Predictive Maintenance Needs
